

May, 2018

It is hard to believe we are writing our last newsletter. This year has gone fast! The children have grown and learned so much! It has been fun to watch them develop confidence in new skills. We will be sending home our end-of-the-year evaluations soon. If we have any questions or concerns about your child, we will contact you about a time to meet with you. If you are concerned about how your child is developing, please talk with us; and we will set up a time to meet together. Thank you for a wonderful year and for allowing us the privilege of working with your child and your family. Have a great summer!
